New Year

**New years come and new years go,
Pieces of time all in a row.**

**As we live our life, each second and minute,
We know we're privileged to have you in it.
Our appreciation never ends
For our greatest blessings:
our family and friends.**

**New Technology Demonstrations
presented by the
Pottsville Public Library**

Come to the chapel Tuesday, January 23 at 1 p.m. to see some new technology devices and learn how they are used. There are opportunities for residents to use or try a number of devices so that you can experience some of the new advances in technology available today.
