

Registration for Wesley Village Retirement and Assisted Living Community

Registration represents a sincere intent on the part of the applicant to obtain a residence at Wesley Village.

The payment of \$1,000 (initial registration fee) assures the applicant of the right of three refusals (maximum of one per month unless otherwise requested by the applicant). After the third refusal of an offered unit conforming to the applicant's request, another registration form and fee of \$1,000 will be required to remain on the waiting list. It is also understood that when an applicant rejects the offer of a suitable unit, the applicant reverts to the bottom of the existing waiting list.
