Life Begins Again in April

Life begins again — in April!
How this dead earth comes to flower!
How the dry boughs wake and quicken
In this blooming, springtime hour!

Life begins again — in April!
And the bird is on the wing,
Brooks are flowing, breezes tender
In a rhapsody of spring.

Life begins again — in April!
Hill and valley reel with living.
To all things new life she brings
With joyous fervor in her giving.

**Come the spring with
all its splendor,
all its birds, and
all its blossoms!**

Come, behold the wondrous mystery
Christ, the Lord upon the tree
In the stead of ruined sinners
Hangs the lamb in victory.
See the price of our redemption
See the Father's plan unfold
Bringing many sons to glory
Grace unmeasured, love untold.
Come, behold the wondrous mystery
Slain by death, the God of life
But no grave could e'er restrain Him
Praise the Lord, He is alive.
What a foretaste of deliverance
How unwavering our hope
Christ in power resurrected
As we will be when He comes.
